# WIRE MANAGEMENT SOLUTION

Wire Management Solution

KB Racking's **WIRE MANAGEMENT SOLUTION** allows installers to neatly organize north-south running electrical wires into one, compact channel which is engineered to integrate seamlessly with KB Racking's flat roof mounting systems.

The system features pre-attached roof protection mats and click-in covers for a simple, tool-free installation and maximum protection against the elements. The innovative solution is designed to install 30% faster than standard wire management systems while maintaining the quality KB Racking is known for.
