Dear Kimberly:

The ACE Blockchain Challenge provides an excellent opportunity to develop an ecosystem focused on teacher data agency. University Instructors, Inc. is pleased to provide RANDA Solutions, lead proposer, this letter of support and acknowledgement of our intention to participate in this ecosystem. RANDA Solutions is long recognized for providing cutting-edge technology to manage education data and we are confident in the ecosystem approach to supporting teachers. Our experience in teacher certification test preparation and human capital management for school districts gives us a unique perspective on how to streamline the hiring process for school district HR offices.

University Instructors, Inc. looks forward to collaborating with the community involved in this ecosystem and the approach putting teachers at the core of education and improving learning outcomes.

Sincerely,
