hh2 Cloud Services® Attends 2017 Construction Financial Management Association (CFMA) Conference

hh2 Introduces Cloud-based Solutions To New Audience

SALT LAKE CITY, June 7, 2017 – hh2 Cloud Services, a cloud-based construction software development company located in Kaysville, Utah (www.hh2.com), attended the Construction Financial Management Association (CFMA) Conference in Phoenix. Representatives of hh2 attended this conference to introduce and promote existing and new products.

“We decided we need to be a part of the whole CFMA group,” said Kevin Hadley, vice president of sales at hh2 Cloud Services. “We loved meeting our customers and introducing our products to a new market that can take advantage of our solutions.”

hh2 Cloud Services announces the ability to work with new accounting systems, including Viewpoint Vista and Spectrum, Foundation, and ComputerEase.

For more information about hh2’s full suite of cloud-based solutions, call 801-683-7869 or visit www.hh2.com.

About hh2 Cloud Services: hh2 Cloud Services was formed in 2004 to create mobile solutions that were built to add mobility to standard construction work flows. Now, hh2 creates a broad range of cloud-based solutions for gathering and reporting on time, entering daily logs, managing human resources processes, accounts payable routing and approval, credit card routing and approval, service management, data aggregation and full featured accounting integration.
