FAQ

DO I NEED TO TAKE OUT INSURANCE?

As with any marquee hire, the client is held responsible for all accidental loss and damage to the hire equipment during the hire period. With the value of our equipment on most jobs extending to many tens of thousands of dollars it is of course important that the equipment is properly insured. You are welcome to arrange your own insurance but it is not always easy or cost effective to do so. Because of this we offer a Damage Waiver in exchange for a fee (5% of the equipment hire charge). With this option all responsibility for accidental loss or damage is covered by Peninsula Tipi Cos own insurance. Please contact us for a copy of our Terms & Conditions.

WHAT ARE THE POWER REQUIREMENTS?

We recommend that tipis be erected within 20 meters of a power source for lights, AV and catering equipment. This power source can be direct from mains power, or you can hire a generator.

WHAT HAPPENS IF THE WEATHER IS BAD?

All is not lost! Our tipis are weatherproof and can withstand up to 70km/hr winds. Rain is never an issue unless your site is at risk of flooding. If strong winds are forecast this will determine the direction the tipis face and how the sides are configured, which is something we are highly experienced with. This will all be discussed with you as we plan your event. In rare cases, set up times and days might be affected in extreme weather conditions. With our indoor fireplace and gas heaters you really can create a cosy winter wonderland. The tipis are inspired by the Kata tipis of Lapland — the northernmost part of Finland — and are designed to endure the harshest of climates.

HOW FAR WILL YOU TRAVEL FOR TIPI SET UP?

We are primarily based on the Mornington Peninsula and delivery and set up is FREE, anywhere on the Peninsula. We do travel further afield but there will be a delivery charge. Get in touch for a delivery quote.

HOW MANY TIPIS WILL I NEED AND HOW MUCH SPACE?

It really depends on your vision and whether you are having a cocktail or sit-down event. Each tipi can hold 100 people at absolute capacity. The space needed varies based on which tipi configuration you choose. Please check the section on our website for specific dimensions for different tipi configurations.

"THE SAME VENDOR FOR FOOD AND TIPI HELPED TO MAKE THE WHOLE PROCESS SO MUCH MORE STREAMLINED. THE TEAM HELPED US SEE OUR VISION COME TRUE!"
– ADAM AND ELOISE

WHERE CAN YOU PARK THE PIZZA WAGON?

We can park on all private properties, yay! If you would like us to come to a public place like a park we may need you to get council permission first. Our mobile van can park just about anywhere, provided there is a flat space measuring L7m W3m H3m to set up in, and easy access to the location, that means no steep dirt roads! We have permits from the MFB and CFA that allow us to work on Total Fire Ban days.

HOW LONG DO YOU SERVE THE PIZZAS FOR?

For our unlimited pizza package, pizzas will be available for 2.5 hours for 50 – 79 guests; from 80 guests, we'll be serving for 3 hours, and add an extra 30 minutes per 20 extra guests attending so that everyone has plenty of time to enjoy! When you choose a set amount of pizzas, we can cook up to 60 pizzas per hour but will cook to the flow and speed of your event, if you like it more relaxed!

HOW BIG ARE THE PIZZAS AND DO YOU CATER FOR DIETARY REQUIREMENTS?

Our pizzas are 11 inches and are best for sharing so we will rotate through your pizza choices, cut them into 6 slices, pop them on wooden pizza peels (or something special if you'd prefer) for guests to help themselves. We cater for gluten free, dairy free, vegan and most other intolerances.

WHAT DO YOU NEED TO SET UP?

For pizza only we need to arrive 1hr 30mins before you would like us to serve to get set up. Ideally we need a 1x10amp adapter to plug in to, but if this isn't possible, we can bring our generator. We need a 3X3m area to park the gelati cart.

WHAT IF WE DON'T FINISH ALL THE PIZZAS?

If you don't get through all the pizzas, we'll cook up a stack and leave them for you and your guests to enjoy for those late night munchies!

DOES THE GELATI CART CATER FOR DIETARY REQUIREMENTS?

Yes. All our sorbets are dairy free and gluten free!

DO YOU NEED A POWER SUPPLY FOR THE GELATI CART?

Ideally a 1x10amp plug socket would be great. If there is no access to a power supply we can bring our own generator.

DID YOU KNOW? WE CAN CATER FOR ALL KINDS OF EVENTS, FROM BIRTHDAYS TO WEDDINGS AND WORK FUNCTIONS! FOR MORE INFORMATION AND FAQs, PLEASE VISIT GATHER-ROUND.COM.AU, OR PIZZA WAGON WEBSITE.

FAQ

CAN I PROVIDE MY OWN ALCOHOL, AND HOW DO I KNOW HOW MUCH TO GET?

Oh yes! Cheaper and easier for all involved. If you'd like us to provide the alcohol it's possible but with licence fees etc it will add up. The best advice we have is to sit down and picture each individual at your wedding (you know them best) and make a tally of what you think they will each drink. Add it all up then add a bit more! Always better to have too much than too little as you can always take what's left home with you.

WHAT DRINKS AND GLASSWARE CAN THE OLD FASHIONED SERVE?

We service champagne, wine, beer – have you seen our amazing beer trough? – cider, soft drinks, spirits with mixers, and shots. You provide the alcohol and we'll serve it. We have wine glasses, champagne flutes, tumblers and water glasses, beer and cider stay in their bottles, and mugs for coffee and tea.

DO I NEED TO HIRE A COOL ROOM?

For any event with over 50 guests we would recommend hiring a cool room. Gather Round can add The Pretty Cool Room to your package for an additional \$350.

DO YOU NEED ACCESS TO POWER AND WATER?

We need 1 X 10amp for the bar. If you go for our tea and coffee option then we need an additional 1 X 10amp each for the kettle and nespresso machine. Kettles are power suckers! We ideally need water access, if this isn't possible it doesn't count you out, just let us know and we'll chat about options.

ARE YOUR STAFF LICENSED AND DO YOU HAVE PUBLIC LIABILITY?

Yes and yes! All our bar staff have their RSA certificates, and we have public liability insurance.

CAN I ADD MY OWN FLOWERS OR STYLING?

We are more than happy for your florist or stylist to pretty up our counter. We love flowers! If they have any questions get them to shoot us through an email.
