

Set Up Events with Your Free Hopin Account

Free

Email and Chat Support

15% ticket commission

In-event integrations

100 registrations per event

Unlimited events per month

2h Events

Build events on Hopin that promote your organization's message and engage your audience

1. Key Details

Name your event, set the date and time, and select which modules you'd like to turn on.

2. Tickets

Create and manage various ticket types

3. Registration

Share a description and image to increase registrations for your event, and recognize your sponsors.

4. Reception

Draft a welcome message and include a call to action for your attendees here.

5. Stage

Determine whether you want live content or pre-recorded video on the stage to address your audience.

6. Networking

Set up this area for your attendees to be paired in 1:1 roulette style speed networking video chats.

7. Sessions

Build sessions for interactive panels, Q&As, and roundtables.

8. Expo

Set up booths to include additional resources about your organization and your sponsors.
