	2	11/19/2018	
	34,082	07/30/2022	not included in rollback calculation *

* This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.
