

Cannonball Trail

The Mott Visionaries are working hard to make the trail a friendly and enjoyable place to walk, either alone, or with family and friends.

Our work is not done. We have plans to extend the trail. If you are interested in helping and would like to donate time, talent, or money, please contact:

*Of all the paths you take in Life,
Make sure a few of them are dirt.*

-John Muir

MOTT is a great city to call home. Come walk the banks of the scenic Cannonball River and experience nature. Whether you enjoy bird watching, hunting, fishing or just crave the peace and quiet, you'll not be disappointed with our community.

Some old-fashioned things like fresh air and sunshine are hard to beat.
