

Annual Report
Central Ohio Professional Education Council (COPEC)
Year Ending December 31, 2016

Statement of Program Services and Accomplishments

Mission Statement

COPEC's mission is to help improve the quality of life for Central Ohioans through adult workshops and educational seminars. Our goal is to provide a safe and ethical educational environment for organizations to make available to their members and employees.

COPEC saw a continued growth in seminar presentations and community awareness in 2016. Our goal for 2017 is to continue to spread COPEC's mission across Central Ohio.

List of Events

February 27, 2016	COPEC hosted the sixth session of COPEC University, an educational workshop series offering personal development opportunities presented by industry experts on a mission to educate. The event was held at Indiana Wesleyan University – Columbus and was attended by 56 people.
July 29, 2016	Future Possibilities & COPEC Annual Golf Outing In collaboration with a community partner, Future Possibilities, COPEC coordinates and hosted the annual golf outing, during which each organization's missions and events were shared with the attendees. Raffles, silent auctions and games were held to raise money and net profits were shared between the two host charities, Future Possibilities and COPEC. The event was held at Darby Creek Golf Course in Marysville, OH.
All year	COPEC presented 143 programs to Central Ohio companies and organizations over the course of 2016 at no cost to the companies or organizations.
