RE: Letter of recommendation for Direct Selling Solutions

Dear Donna Marie and Staff of Direct Selling Solutions,

On behalf of Pruvit's Compliance Team, please accept this letter of gratitude for the services you provided us. As you know, Pruvit is a relative new comer to the industry, and we have been blessed with rapid and exponential growth. Of course, with growth comes growing pains, and for a young compliance team, keeping up with the ever-increasing volume of compliance issues was becoming a daunting task.

DSS was retained to act as a "force multiplier", that is, to immediately help the Team deal with the volume of Promoter infractions and we were immediately impressed with how you and your staff were able to collaborate with us to achieve various goals. During this effort, we witness how savvy, experienced compliance professionals operate and today, the knowledge, skills and techniques we learned from DSS form the basis of our Standard Operating Procedures.

I will strongly recommend DSS's service to my peers in the industry. Please feel free to share this letter with your prospective clients or list me as reference.

Warmest regards,
