

# Animal Behaviour Signs

Take a look at the animals below. Put a red **X** in the box next to those animals who are asking us to 'stay away' or a green tick **✓** beside those animals who are friendlier.

Teachers: you can refer to the Animal Lesson sheet for additional tips and hints

Bull Quiz: Name 2 warning signs displayed by an angry or agitated bull?

I.           Pawing ground          

II.           Bellowing or shaking head          

Hey, there is something missing from this bull's nose? Can you work out what it is? When you have why not draw it! (A ring)

Name 2 warning signs displayed by an angry cat and 2 signs that show your cat is happy.

Angry:

1.           Hissing          

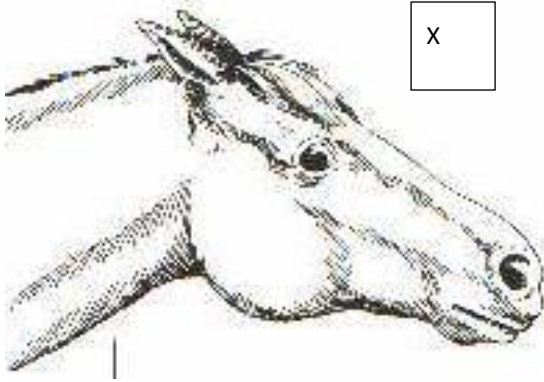

2.           Throwing paw          

Happy:

1.           Purring          

2.           Rubbing on leg/face

# Animal Behaviour Signs

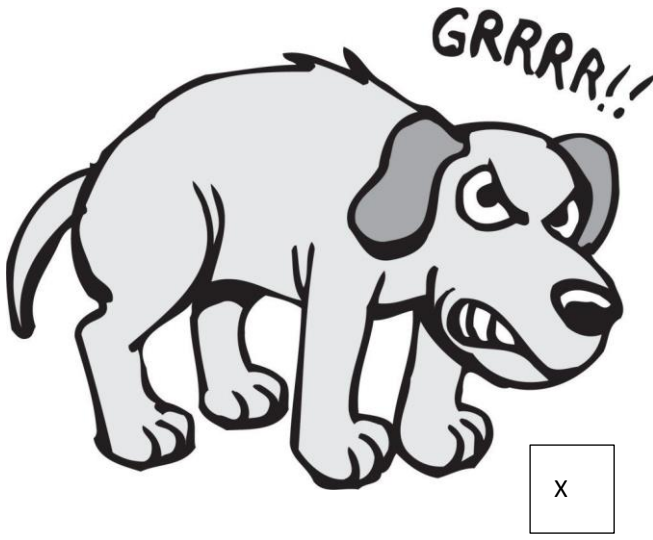

We can tell a lot from a horse by looking at their ears! Circle the right answer!

Ears forward: Alert

Ears back: Angry

Ears twisting: Listening

Ears to the side: Resting

Name 2 warning signs displayed by an angry dog and 2 signs that show your dog is happy.

Angry:

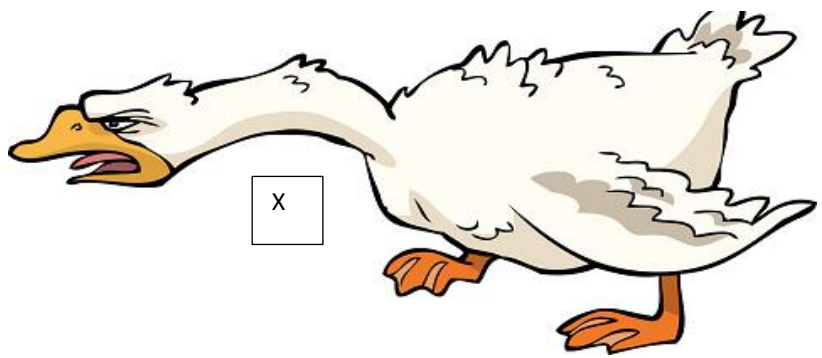

1. Showing teeth

2. Growling, snarling

Happy:

1. wagging tail

2. Bringing you a ball

Well done!
