Fabric Donations Welcome!

The New Heights Quilt Group is currently meeting every Monday at 9 a.m. at The Grove to create quilts for Lutheran World Relief. Donations of fabric, thread or sheets (in good condition) are welcome and can be dropped off in the donation bin at the East entrance at The Grove.

If you're interested in participating with the group (evenings and/or weekends can be scheduled), contact Francine at francine@newheightslc.org.

The Grove: Updates

- **Blessed to be a Blessing:** This week, two Christian schools with the Impact Christian Schools group were able to take excess desks, tables, chairs, cafeteria tables, and book shelves for their students. With all the wonderful items left behind by the School District, we are so grateful to be able to share our resources. **If you have nonprofits or organizations that would be interested in larger quantities of items, help get us connected!**
- **75% Drawings:** This week, the Remodel Planning Team reviewed the 75% detail drawings from our architect! Thank you to all the teams that helped review and share their feedback. 100% drawings should be done by the end of April! We're on track to move into the permitting phase this May. We are excited to start the next steps towards demolition (completing the design phase) in a few short weeks!
- **Cuna Mutual GrouLT Furniture:** CMG is ready for us to pick up the remaining furniture items! The Facilities Team will be making an action plan for the outdoor furniture, administrative desk, and acoustic panels remaining.
- **Building Access:** The Grove has been rekeyed and key cards are now up and running! If you currently have keys to our Black Earth building, please watch for communications about changing out your keys after the April 30th move.
- **Bathrooms:** As we plan to move in before the remodel's conclusion, our contractors are working to make sure we have bathrooms throughout the process. Watch for West Wing (Gym) bathroom upgrades (not construction, just some aesthetic pieces) to start this spring!
- **Transition spaces are ready:** Our temporary spaces are up, serving us well for the various ministries already taking place!

- **Hands and feet needed!** Have gifts in the trades or time to give?**The Facilities Team** is looking for capable and qualified mission partners to assist in the facility maintenance plan for The Grove. Tasks could include, but are not limited to: lawn & flower bed care, facility systems checks, basic plumbing repair, gutter cleaning, and custodial assistance. With a facility and campus 4x the size of our Black Earth location, we appreciate anyone willing to jump in!

Men's Ministry Blog

Pastor David has put together a blog to connect our men and provide them with opportunities for discussion, spiritual growth, and group activities. So far, the blog has addressed raising children (especially teenagers), strengthening marriages, and becoming a man after God's own heart. The blog is titled "Guy Talk" and you can find it at **https://grovemen.Wordpress.com**. And ladies, you

are welcome to check it out, too, and also provide some feedback and topical recommendations. You are welcome to email Pastor David: **pastordavid@newheightslc.org**

Adult Ed Opportunity:
Bonhoeffer and the Future of Faith

Have you heard about the famous Lutheran Pastor who worked to stop Hitler? Join me for the new Homebrewed Christianity class, "Bonhoeffer and the Future of Faith" as we listen to and learn from internationally known scholars applying Bonhoeffer's works in areas such as climate change, prison reform, racial tensions, pastoral care, and Christian Nationalism. Each week we will have a lecture from a noted Bonhoeffer scholar. Not only will we get access to the lectures to work at our own pace, but each scholar can also join us for a live stream session and Q&A. This class is for those anxious about what's next for those of us in the Church and in religious life. I am excited to dive into the life and work of Dietrich Bonhoeffer to help guide us in the unknown future of faith. As part of this individualized study, we may also decide to get together for a conversation.
