Thank you to all who contributed cash to Michelle's very special anniversary on intake and outgoing days!

Thank You Fisher Foundation

Year after year, the **Fisher Foundation** is there for Horizons. We are so grateful for their longstanding support of all that makes our summer camp program exceptional. This year, the **Fisher Foundation's** support ensures our campers will "Keep on Riding." Thank you so very much for your ongoing generosity and support!

Thank You Newman's Own Foundation and Walmart Foundation

For many years, the **Newman's Own Foundation** has selected Horizons to benefit from their mission to support the common good. Our friends at Walmart have also been longstanding partners. This summer, our "Apprentice Program" was guaranteed to be a success due to the generosity of the **Newman's Own Foundation** and the **Walmart Foundation**. Thank you so much!

It's been great fun to use the new brightly colored yoga mats and blocks. They create just the right mood for John Parham and Dennis Corso to learn from instructor Zoe Allard to stretch and move in different ways.

What could be better than experiencing the Pioneering Program in the great outdoors? This new set up provides shade and storage, creating the perfect outdoor classroom.

This beautiful sunflower garden was created in memory of Greg Parkos thanks to the generosity of his loving family. The new outdoor furniture makes it a favorite spot for campers to relax on their way to the pool.

DJ, Scott Langner has what it takes to spin the tunes at Club Horizons. This fabulous new DJ booth was built thanks to a generous donation from Scott, Ron and Collette Langner.

The new "Horizons Bus" provides elevated comfort. Now Weekenders will travel to "Weekends in the Country" in high style!
