

THE HORIZONLINE

2012 Campaign for Campers

Lauren LaBelle pays attention to the important details of horse grooming.

Spud Henry and Fabian Gaviria cheer their colleagues on during a rousing session of entertaining music.

Thank You SBM Charitable Foundation, Inc.

All this and more was possible due to the SBM Charitable Foundation's incredibly generous grant support for "The Power of a Positive Program 2012 Project." This exciting project promoted engagement, competence, and independence during summer camp 2012. We so appreciate the SBM Charitable Foundation's partnership with Horizons and their continued commitment to the people we serve.
Thank you so very much!

Justin Mazza had a blast during a fabulous fishing adventure.

Thanks for supporting our Camp Brain, the system behind our fun; it's more than registration, it's all camper info!

Thank You Adolph & Ruth Schnurmacher Foundation, Inc.

Grant support from Adolph & Ruth Schnurmacher Foundation, Inc. boosted our ability to offer on-line registration for summer camp and winter and spring "Weekends in the Country" during 2012, along with technical support and upgrades that enabled us to track important information needed to hire quality staff.

2012 CAMPAIGN FOR CAMPERS

"The Power of Positive People"

What started as a camp in 1979 has led to far more today. Because of you, the power of positive people is making a difference at Horizons now and for years to come.

Thank you to all who have contributed to the 2012 Campaign for Campers which began on October 1, 2011 and wrapped up on September 30, 2012.

Thank You, Thank You, Thank You!

On the Move at Eastern

Dennis has gained a wealth of experience working side by side with staff of Eastern Connecticut State University's Athletic Department as part of Horizons Supported Employment and Options. In addition to learning the Sports Center jobs, Dennis has been working on a project to link Special Olympics/Unified Sports with Eastern Athletics. Dennis and his coach planned and executed a softball clinic with the Eastern Women's Softball Team. Dennis designed T-shirts and wristbands for the clinic and assisted with running drills.

Currently Dennis is focused on a basketball clinic with the men and women's teams and hopes to recruit even more Special Olympian/Unified Sports athletes to the games. Participants enjoyed drills and a game with ECSU players on November 4th.

Horizons' Board Member and Eastern President, Elsa Nunez & Dennis Longway, Intern with the Eastern Athletic Department
