

THE HORIZON LINE

Ellyn Little from Tolland Public Schools meets Horizons Transition Education Specialist, Diane Dupuis, at Big Y to start her school day.

Steve Schneidermeyer, Horizons Director of Education & Professional Services, facilitates the first in a series of "Employment Topics Seminars" for 6 students from 4 local high schools. The seminars are designed to provide students with relevant information and practice in dealing with the key components of High School Transition.

BACK TO SCHOOL

For Some Students Going Back to School Means Expanding Their Horizons

Luis Deynes, a student at Windham High School is just beginning to explore the world of work. For five hours each week, Horizons Job Coach, Lance Heimall, arranges opportunities for Luis to determine his vocational abilities and preferences.

Ellyn, wearing her Big Y uniform, is ready to work. Diane provides feedback from the previous day and coaches Ellyn for today's work experience.

This "Student Core Team" meets monthly at Windham High School. Horizons Director of Education & Professional Services, Steve Schneidermeyer, facilitates Special Education Teacher, Laurene Palmer, the student, his parents, his DDS Case Manager and tutor to design and implement Transition Services.

CAMPAIGN FOR CAMPERS 2010 "The Next Chapter"

We've reached the end of "The Next Chapter" as the 2010 "Campaign for Campers" has come to a close. Due to the generosity of these friends of Horizons, once again we've been able to meet the changing needs of the people we serve and deliver "tailor-made" programs and supports. Below is the list of contributors from October 1, 2009 to September 30, 2010.

Thank you so very much.
