

BRANDERMILL WOODS FOUNDATION

The Brandermill Woods Foundation's primary mission is to generate resources to support and enrich the quality of life for our residents.

At Brandermill Woods, we are very fortunate to have people who care so much about what we do that they generously give and donate. In 2001, we established The Foundation—to receive and manage these charitable gifts on the community's behalf. Each dollar received is invested back into the community with programs like our employee scholarship fund, our general benevolence fund, our resident assistance program, and our capital projects.

EXAMPLES OF PROJECTS FUNDED BY THE FOUNDATION:

1. IL Courtyard Renovation \$113,000
2. HCC Bar \$60,000
3. Contributed to purchase of Big Bus \$60,000
4. Purchased 10 iPads for the HCC for family and medical virtual visits \$4,000
5. Craftshop power tools \$5,000
6. HCC Interactive wall/mural \$25,000
7. IL Greenhouse \$100,000

FUTURE PROJECT IDEA REQUEST

Kristen Moore oversees The Foundation's daily operations and provides the Board with resident comments and suggestions. She can also answer any questions you may have regarding The Foundation and how you can assist its ongoing mission and vision. Please give Kristen your suggestions, and let's all be a part of leaving a legacy. Many thanks for your continued support and loyalty to the community. The Foundation has projects in line now but are eager to hear your ideas for possible future projects.

The following project is proposed for funding by The Foundation:
