Emergency Situations and Tuition Payment 008.7

008.7 Emergency Situations and Tuitions Payments

The Aberdeen Catholic School Board of Education and the administration are aware that emergency financial situations may develop during the course of the year that may make the payment of tuition or the meeting of deadlines for payment impossible (for example: sickness, unemployment, etc.)

If such an emergency arises during the course of the year, parents are asked to contact the administration for special arrangements for payment or excuse from tuition.
