### Fees 008.11

#### 008.11 Fees

Class Fees are charged at Roncalli Junior High and Roncalli High School to cover special expenses (for example: consumed supplies in Science, Biology, Chemistry, Home Economics, Art, etc.).

Since these supplies are “out-of-pocket” expenses for the school and supplied to the students over and above the regular operational expenses of the school, there is no excuse from payment of fees.

All fees must be paid before the third Monday in September each year.

These forms may be obtained at Roncalli High School or at the Central Office, 1400 N. Dakota Street.
