Dual Participation Guidelines

RONCALLI JUNIOR/SENIOR HIGH SCHOOL DUAL PARTICIPATION GUIDELINES

General Information

1. Parents must arrange a meeting with the activities director at least two weeks prior to the first practice of the involved activities (prior to whichever activity starts first). This meeting will allow parents to request that their child be allowed to participate in two school sponsored activities during the same season.
2. This meeting will include parents, student, activities director, and the coaches/advisors of both activities. The agenda of this meeting includes guidelines, scheduling conflicts, expectations, and workability. In cases of consensus, an agreement form will be completed and causes of termination will be discussed.
3. Parents and students must fully understand that requests for dual participation may not always be workable.
4. The activities director will conduct the meeting and determine consensus.

Guidelines: Each student who participates in dual activities will:

1. Meet all current eligibility requirements.
2. Maintain grades as agreed upon the pre-season meeting.
3. Be expected to fulfill the practice requirements for both activities as determined by the coaches/advisors.
4. Maintain good health and physical well-being as determined by the athletic trainer.
5. Be asked to make a preference in situations where the competitions for both activities overlap. However, post season events (play-offs, districts, regions, state competition) will have precedence over regular season events.

Failure to comply with any of the guidelines will result in termination of dual participation. In cases of termination, the student will be allowed to continue with one of the two activities (to be determined at a termination meeting).
