

William H. O'Keefe Scholarship

William H. O'Keefe, High School principal at Roncalli, from 1987 – 1995 died of heart disease in June 1995. He had been in administration since 1973 where he was an assistant principal of Huron Junior High until 1982, then was a High School principal in Cavalier, North Dakota, from 1982 to 1987 before moving back to his hometown of Aberdeen and began working as High School principal in the Aberdeen Catholic School System.

He always wanted to recognize students in the schools who made a commitment and were dedicated to obtaining high academic standards, but also believed participation in a variety of activities both at school and in the community fostered personal and interpersonal growth. This award is open to freshman, sophomore, and junior students who display these qualities and who set good examples for other students. This award winner will receive \$200.00 towards tuition and your name will be placed on the William H. O'Keefe plaque at Roncalli High School.
