

Where to turn when you need care

With more doctors and clinics offering virtual care, you might be wondering exactly where to turn when you're under the weather. Here's the breakdown:

Use Wellview TeleMedicine to:

- Get treatment for cough, sore throat, UTI, and more
- Avoid waiting rooms
- Talk to a doctor in minutes
- Ask a medical question (don't trust Dr. Google!)

See your primary physician to:

- Schedule appointments for ongoing care for chronic conditions
- Ask questions about lifestyle medications for hair loss, weight control, etc.

Call **(877) 293-9355, ext. 2** for 24/7/365 access
to a Wellview TeleMedicine doctor!
