

Works Notification

March 2017

Gold Coast Light Rail Stage 2

CONSTRUCTION UPDATE

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors, commenced construction in July 2016 and is committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
