

Works Notification

June 2017

Gold Coast Light Rail Stage 2

DELIVERY OF RAIL, PARKLANDS DRIVE, PARKWOOD

Steel rail will be delivered to the Gold Coast University Hospital station at the corner of Parklands Drive and Olsen Avenue on Monday 19, Monday 26 and Tuesday 27 June 2017, weather and site conditions permitting.

This work is weather dependent and will be carried out on the next available day shift should delays occur.

Work will involve:

- All movements at the intersection will be maintained during the rail delivery however some lane closures will be in place.
- Temporary left-hand lane closure on Parklands Drive.
- Rail delivery trucks entering and exiting the work zone on Parklands Drive.
- Lifting the steel rail from trucks into the work site via crane on **Monday 19, Monday 26 and Tuesday 27 June 2017 between 9.00am and 5.00pm.**

What to expect

- Parklands Drive east-bound will be reduced to a single lane only.
- Right-hand turn from Olsen Avenue into Parklands Drive will be reduced to single lane only.
- Traffic control for lane closures including signage to direct motorists.

Every effort will be made to keep construction impacts to a minimum. We appreciate your patience during this important work and will continue to update you as work progresses.

Project information

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors commenced construction in July 2016 and are committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
