Re: Curbside Pickup

To Whom it May Concern:

In response to the COVID-19 State of Emergency, the Florida Department of Health (“Department”) approved Medical Marijuana Treatment Centers (“MMTCs”) to temporarily implement curbside pickup procedures for the duration of the COVID-19 State of Emergency declared by Governor DeSantis through Executive Order 20-52 (as extended by Executive Orders 20-114, 20-166, 20-192, 20-219, 20-316, 21-45, and 21-94). The COVID-19 State of Emergency declared by Governor DeSantis through Executive Order 20-52, as extended, has expired. Therefore, MMTCs must immediately discontinue dispensation via curbside pickup if they have not done so already.

If you have any questions, please contact the Department directly for assistance.

Sincerely,

Christopher Ferguson
