Dear Suffolk County Court Employee Association Membership -

First and foremost, we extend our best wishes and hope that all is and remains well by everyone.

By way of background, Frank Russell and I formed our law partnership in 1994. We welcome and are excited to work with and for your membership.

We both have vast experiences in many areas and aspects of the law; Frank having started his career as a prosecutor with the Suffolk County District Attorney's office and also as an Assistant Suffolk County Attorney, representing officers of the Suffolk County Police Department; and myself as an associate and a partner along with my late father Joseph Lite, Esq in Lite & Lite PC, until he passed in 1990.

We currently maintain a staff of five attorneys, including ourselves and an administrative staff of 10+ personnel. We were recently pleased and honored to add C Randall Hinrichs as 'Of Counsel' to the firm.

Our general areas of concentration are personal injury, estate planning, administration, and transactional real estate. In addition, throughout our careers, Frank and I have made and maintain an array of legal contacts, other attorneys we trust, to refer clients to in areas of law that we do not generally handle.

In general, our fees with Personal Injury matters are contingent upon a successful conclusion. More particularly 1/3 or 33 1/3 % of the recovery. With Estate Planning and Administration matters, we afford a free consultation. As an example, for a standard Estate plan which consists of a Last Will and Testament, Health Care Proxy, Living Will and Power of Attorney, our fee is \$500.00 per person and \$750.00 per couple. With transactional Real Estate, our fee is usually fixed at \$1,500.00.
