

PROFILE

Established in 2017, we are a clinically led and owned Outpatient and Diagnostic service provider based in Manchester.

We provide the additional clinical capacity required within the NHS to support over 1 million patients across the North East Sector of Greater Manchester. We also provide services within the Cheshire & Merseyside health economy.

2021 will see us expand our portfolio and establish our own Community Diagnostic Centre in Manchester, the first of 3 planned developments over the next 2-3 years.

We are heavily invested in bringing care closer to home and providing the appropriate clinical care to the community setting.

We are a small corporate team with big ambition and will continue to develop our services to becoming the market leader in our field.

CONFIRMATION OF SPONSORSHIP

Moss Side Tropics Basketball Team

January 2021

Dear team tropics, it gives me great pleasure to confirm that EndoCare are able to provide you with a level of financial support which we hope will enable you to access the kit and equipment you require to continue with your passion in sport.

Promoting good health is a core part of our values and what better way to stay fit than playing basketball.

We recognise the past 12 months have been a very difficult time for many people and we want to ensure we help our local communities recover and re-establish themselves. It's important following this pandemic that we all continue to focus on our mental and physical health.

Ironically, we are soon to take up residence of a premises in Moss Side at the Parkway Business Centre on Princess Road where we will be developing our first Community Diagnostic Centre. The facility will also become our new head office. This will provide the much-needed diagnostic clinical capacity in support of the NHS for the surrounding population, so our connection to that population is paramount within everything we do.

So, to summarise. The sponsorship is aligned to the following conditions:

- Stay fit and healthy
- Look after yourselves and stay well
- Train hard
- Wear EndoCare knowing we have got your back
- Spread the word
- Smash it
- Win the league

All the very best guys and can't wait to see you in action!

Team EndoCare
