Shalom Park Celebrates the 2023 Annual Event Honorees

Neil B. Oberfeld, former Chair and current Trustee at Shalom Park, has been committed to the success of Shalom Park for over 25 years. Neil and his wife Barb have two wonderful daughters, Blake and Cami. Neil enjoys time with his family skiing, hiking, traveling — anything active!

In 1978, Neil’s parents moved the family from Montreal, Canada to Colorado, where they were immediately welcomed into Denver’s Jewish community. Neil has served as a board chair of ADL and as a Rose Community Foundation Trustee and Jewish Life Committee chair. Currently, Neil serves as Trustee, Secretary and Chair of the Governance Committee of Mile High United Way.

Neil is the recipient of numerous prestigious awards, including the Philip D. and Eleanor Winn Community Service Award, along with being recipient of the Denver Bar Association’s Volunteer Lawyer of the Year.

Shalom Park is indeed honored to be recognizing Neil for his many years of support, leadership, and dedication to the Elders, Care Partners and the Shalom Park Community.

The partnership between Rose Community Foundation (RCF) and Shalom Park has a long history. RCF was one of the original donors to help build Shalom Park in Aurora, Colorado over 30 years ago. They understood the vision and were committed to creating a home for the community where older adults can live regardless of their religion, race, color, sexual orientation, gender identity, nationality, ethnicity, disability, or ability to pay.

As the nursing home filled with residents, the Shalom Park community evolved, and numerous areas needed to grow. Each time, RCF came through with funds to help expand social areas, develop a transportation program, purchase a van, provide nurse education, construct the Wellness Center, develop and sustain the Shalom Park LIVE ON/LIFE & LEGACY program, and most recently safeguarded Shalom Park’s ability to continue operating during the pandemic.

Rose Community Foundation continues to serve its community with strong Jewish values and traditions, and strategic priorities. Together with their donors, nonprofits, and community leaders they are strengthening the Greater Denver region — for today, and for generations to come.

Shalom Park is a beneficiary agency of JEWISHcolorado
This is such an important and exciting time for the Elders and Care Partners at Shalom Park. Our organization is thriving with a 99% occupancy, a growing waiting list, a stable team of dedicated and talented Care Partners, and lots of exciting projects and planning to help Shalom Park prepare for the future.

This year’s Annual Fundraiser, on May 3rd at Top Golf, will be a fun family event honoring Neil Oberfeld and Rose Community Foundation. I invite everyone to join us for a casual evening of food, drink, games and socializing with friends.

We will pay tribute to Neil Oberfeld for his leadership as Board Chair during the most challenging times that Shalom Park and the nursing home industry has ever experienced. During the pandemic, it was Neil’s wisdom, fortitude, kindness, and support that played a vital role in successfully navigating our organization through unprecedented times. Neil and his wife Barb’s ongoing financial support truly makes a difference and is so greatly appreciated.

We will also pay tribute to our Community Partner, Rose Community Foundation. During the pandemic, our colleagues at RCF helped us prioritize our critical needs and provided immediate emergency funding for infection prevention, personal protective equipment and supplies, and general operational support. We are thankful for the partnership between RCF and the Shalom Park LIVE ON/LIFE & LEGACY program, the importance of which sustains the future of Shalom Park. The word “lifesaver” does not adequately describe what their support means to our organization. We thank Rose Community Foundation for their response to the needs of the community.

At the Annual Fundraiser, we also look forward to sharing updates about our capital campaign and renovation project, increase in nursing home beds, and our strategic plan.

Wishing everyone much health and happiness.

—Marc Penner, Shalom Park President and CEO

Board Chair Elisa Robyn shares her D’var Eden from the December 2022 Board of Trustees meeting.

This is the month of Kislev, when we celebrate a specific type of miracle. But if we take the word apart we find that Kis means pocket and Lev means heart, so this is the month that we celebrate the pocket in our heart. I love how this image connects with our Eden Alternative. We create a pocket in our heart for the Elders, the staff, administration, and honestly each other. This helps us create a community of caring and honor that ripples out into our Eden circles. We all need these elements of connection, a sense of purpose, to have our voices heard and our choices honored.

And it is those three elements that take me back to the month of miracles. We hear about the small amount of oil that burned for eight nights, but what if it was the sense of connection, purpose and autonomy that was the real miracle. What if each member of the Jewish community added the drop, or even half a drop of their leftover oil to the lamp? Each person knew that they were part of a community, that their purpose was to give this community hope in the darkness, and each individual took it upon themselves to make this choice. This could have been the real miracle.

And yes, that makes me think of Eden and Shalom Park. Together we have miraculously survived a pandemic, financial challenges, workforce changes, and much more. And we did this because we create pockets in our hearts for each other and all of Shalom Park.

Let me close with one of my favorite quotes by David Ben-Gurion: In Israel, in order to be a realist you must believe in miracles. And while I know we will not use that as the foundation for our decisions, perhaps we can come from the pockets of our hearts.

Artists Light Up Our Lives

Shalom Park Elder Janet has been painting for many years. She loves abstract painting, mostly using acrylics. The project is called “Fall Leaves.” Janet enjoyed this particular project because it is her favorite medium of art. Aside from attending the art classes, Janet uses the art studio on Terrace to work on her personal projects.

Shalom Park Elder Lee is surrounded by beautiful paintings she created. Lee served as a Fashion Artist for Joslin’s Department Store for 43 years. Her private collection comprises stunning works using watercolor, acrylic and pastels. Lee has shared her knowledge and talents by teaching others figure drawing and other painting techniques, most recently at V-Esprit.
