Treasury Prime Inc Responsible Disclosure Policy

Data security is a top priority for Treasury Prime Inc, and Treasury Prime Inc believes that working with skilled security researchers can identify weaknesses in any technology.

If you believe you've found a security vulnerability in Treasury Prime Inc's service, please notify us; we will work with you to resolve the issue promptly.

Disclosure policy

- Let us know as soon as possible when you've discovered a potential vulnerability by emailing us at security@treasuryprime.com. We vow to acknowledge your email within 24 hours.
- Provide us a reasonable amount of time to resolve the issue before disclosing it to the public or a third party. We aim to resolve critical issues within one week of disclosure.
- Make a good faith effort to avoid violating privacy, destroying data, or interrupting or degrading the Treasury Prime Inc service. Please only interact with domains you own or for which you have explicit permission from the account holder.

Exclusions

While researching, we'd like you to refrain from:

- Testing https://treasuryprime.com, as this is just our marketing site
- Denial of service
- Spamming
- Social engineering or phishing of Treasury Prime Inc employees or contractors
- Any attacks against Treasury Prime Inc's physical property or data centers

Thank you for helping to keep Treasury Prime Inc and our users safe!

Changes to these guidelines

We may revise these guidelines from time to time. The most current version of the guidelines will be available at http://treasuryprime.com/bugbounty.

Contact

Treasury Prime Inc is always open to feedback, questions, and suggestions. If you would like to talk to us, please feel free to email us at support@treasuryprime.com.
