

“This is Epic - How to live a story worth telling.”

Today we want to share with you an answer.

It’s an answer to the questions that so many of us ask...It is multi-faceted.

- We want to know why we are here.
- If our lives really matter.
- We want to understand what significance this minute, hour, week, month, and the year has for our lives. To our world.
- We need a God who cares about this life, in this world, right now.
- We want to understand why everything we think, everything we say, and everything we do matters.
- We don't want to just sit back and wait for something to happen or someday to come.
- We want to know if all the choices we make now will shape our world and lives for eternity. Because we want our lives to have meaning today, and our lives today to have meaning forever.

For the people of God, everything begins with scripture.

God often uses simplicity, to solve complexity.
