

Updated as of April 29 2021

Connecticut COVID -19 Guidelines

General Recommendations:

- Businesses/organizations should follow local public health contact tracing efforts.
- Keep a log of employees on-premises.
- All businesses/organizations are open to 100% capacity with social distancing still required.

Performers:

- Performers/musical vocalists at restaurants, outdoor and indoor events, and performing arts venues are allowed
- There must be 12 feet or more of space from the nearest person dining or working

Testing:

- Businesses/ organizations are strongly encouraged to require performers to have a negative PCR test within 72 hours before performing.
- Check with the venue about their testing requirements.

Commercial Venues:

- Indoor capacity- up to 50%, cap of 100 people.
- Outdoor capacity- cap of 200 people.
- Face masks and social distancing required.
- Capacity does not include staff.

Outdoor Event Venues (Amphitheaters, Race Tracks)

- Effective April 2, up to 50% capacity, cap of 10,000 people.
- If an outdoor venue is holding a private gathering, they can only have 200 people.
- Face masks and social distancing required.
- Venues can increase to 50% capacity with no cap on total attendees, as long as parties/groups stay 6 feet apart.

Fairs, Festivals and Carnivals

- Up to 50% of last year's capacity.
- Face masks and social distancing required.

Connecticut COVID -19 Guidelines

Outdoor Organized Gatherings:

- Open to the public (fireworks, concert in park).
- Cap of 500 people, 6 feet of space blanket to blanket.
- Event organizer responsible for compliance.
- Face masks required except when eating/drinking.
- Lines clearly marking seating areas.

April 2:

- Outdoor events can increase to 50%, capped at 10,000.
- Indoor stadiums can open at 10%

Indoor Events:

- Adhere to the capacity limits.
- Post clear signage regarding social distancing and face coverings.
- Attendees will not be allowed to enter if they are experiencing symptoms of COVID.
- Separate entrance and exit from the facility to allow one-way traffic.
- Require online ticket purchases as much possible
- Place markers on the floor.
- Install physical barriers at ticket counters.
- Create a specific timeline for each event.
- Staff will be responsible for reminding attendees of these regulations.
- Develop a plan in case an attendee becomes sick, has symptoms of COVID.
- Plan should include a designated isolation area and adhere to local municipality health protocols.
- Log employees, volunteers and officials for contact tracing.
- Daily health check for employees.
- If an employee tests positive, they must inform their employer.
- Must then follow state testing and contact tracing protocols.
