ECAP21
HEALTHCARE 2021 | MIAMI

Overview

From May, 23rd-25th of 2021 CrowdPass opened the doors safely to eCAP21's Healthcare Conference in Miami.
A who's who of top healthcare professionals that required the safest health-clearance solution available.

A jam packed 3 day conference with safety and peace of mind for every attendee. A return to better-than normal.
So how'd it all go down?

1053

Attendees

Were CrowdPassed for the fairytale event. So how'd it happen?

Main Results

Among the **1053** attendees that were health cleared for the event...

Pre-Cleared

798 attendees

themselves and scanned in via their CrowdPass Green Check Mark Health Passport

No-Proof? No Problem!

255 people

Opted to rapid test on-site and were cleared there at the event. Having a sister company like CrowdHealth allows CrowdPass to deploy on-site nurses and medical supplies just like that.

Safe and sound. The CrowdPass way.

Health-Clearance Setup

Event Creation

Our hosts created and customized their 1-time event specific to the health and clearance specifications their event necessitated

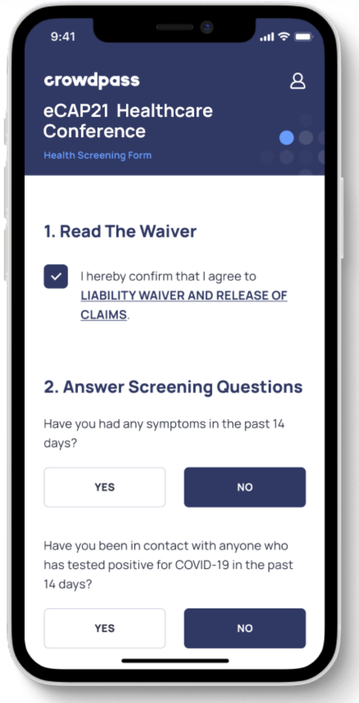
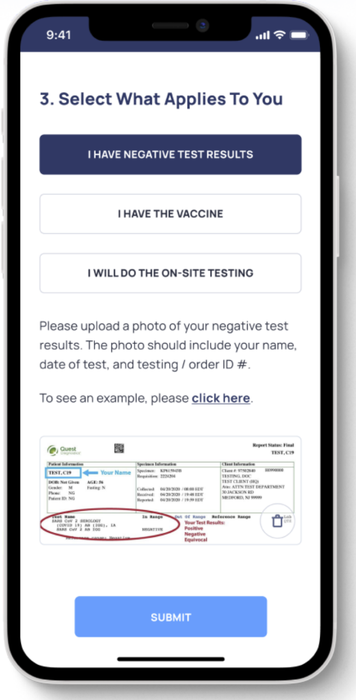
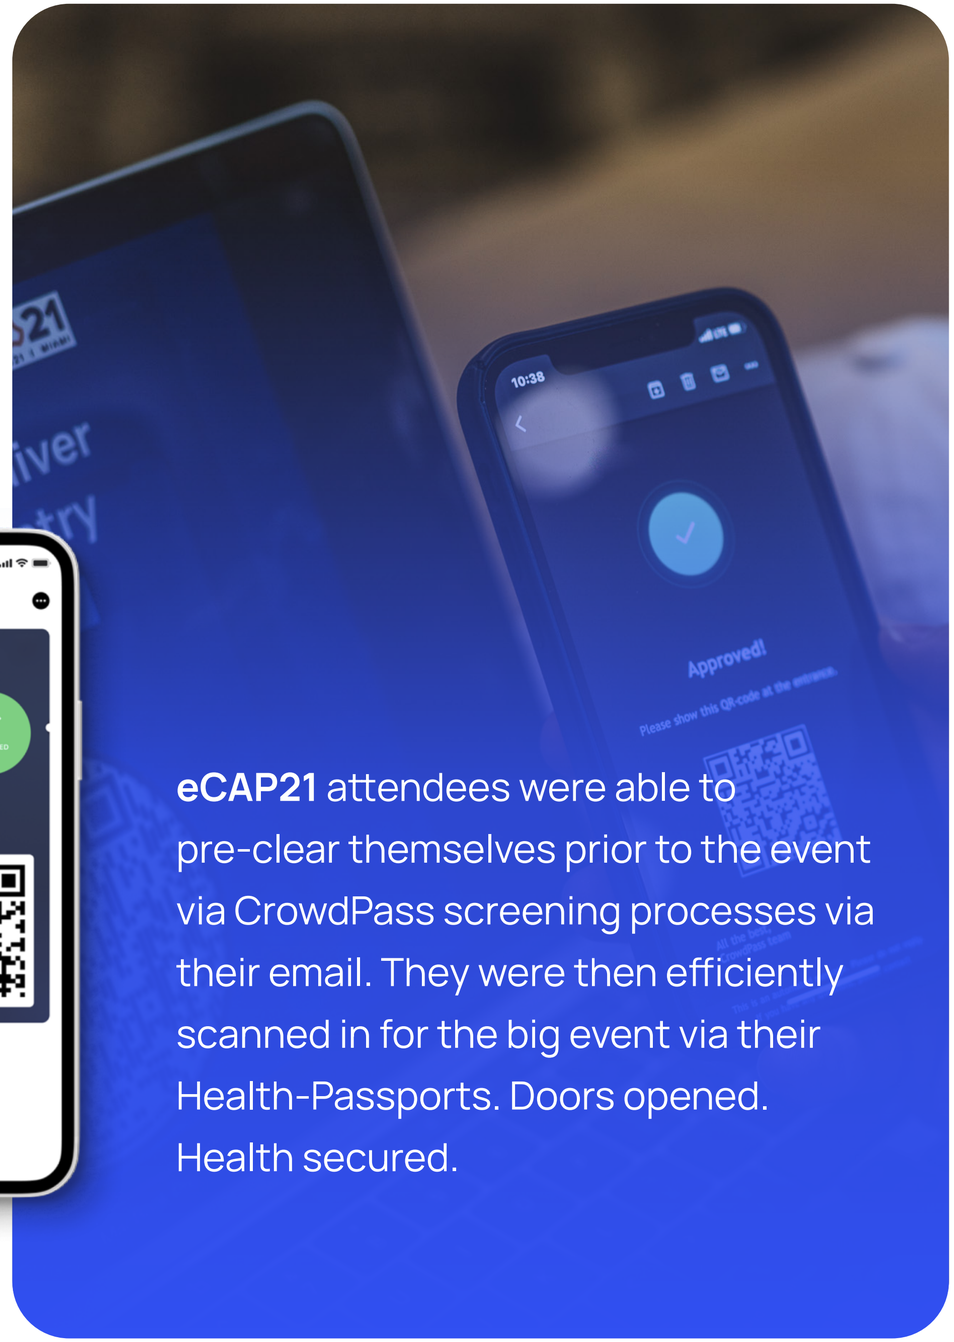
Health-Clearance Process

Attendee Registration and Pre-Clearance







eCAP21 attendees were able to pre-clear themselves prior to the event via CrowdPass screening processes via their email. They were then efficiently scanned in for the big event via their Health-Passports. Doors opened. Health secured.

Health-Clearance Process

Attendee Clearance

Back on the event organizer's side it was easy management of attendees and the ultimate event of a lifetime.
