Submitting Your Examination Application

Before you can schedule your examination with CPS HR, you must submit a **typed** examination application and fee to the Department. Applications that do not include the examination fee will be returned to the applicant. Corresponding qualification examination applications can be found on the Department's website at <http://www1.nyc.gov/site/buildings/industry/applications-forms.page>. Any false statement on your application will result in you being deemed ineligible to take the corresponding qualification examinations and may result in severe civil and criminal penalties.

Note: All Special Examination Arrangement requests **MUST** be submitted with the application to be accepted. Please submit professional documentation of your disability with your application to help us determine the necessary testing arrangements.

Special Examination Arrangements

All examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and every reasonable accommodation will be made in meeting a candidate's needs. Applicants with disabilities or those who would otherwise have difficulty taking the examination must fill out the form located at <https://link.cpshr.us/DOBADAForm> and email to nycdob@cpshr.us.

Note: Please submit professional documentation of your disability with your application to help us determine the necessary testing arrangements.

Examination Fee

The fee for the written examination is \$525. **The fee is nonrefundable** and does **not** include the qualification issuance fee for your qualification after you pass the examination.

The fee must be paid by money order **only** and made payable to the New York City Department of Buildings. Checks and cash will **not** be accepted. Please make sure to include the last four digits of your Social Security Number on the front of your money order and retain a copy of the money order receipt as your proof of filing.

Scheduling Your Examination

You must complete and submit the written examination application as outlined on the Department's website, located at <http://www1.nyc.gov/assets/buildings/pdf/lic41.pdf>. Check the box that indicates your trade and submit the application with the \$525 fee (as noted above).

Once you receive an email notifying you that you are eligible to take the corresponding qualification examination, you are responsible for scheduling an appointment to take the examination.

You may only test one time per notification of eligibility. Each time you fail, you must reapply with the Department.

Important: You have six (6) months from your examination application date to take the examination. If you have not taken the written examination within six (6) months, you will need to reapply through the Department and pay the corresponding examination fee.

The examinations are administered by CPS HR's partner, *Pearson VUE*, at one of their several convenient test centers in and around the City. You may schedule via the Internet by clicking on the link found in your eligibility confirmation email. When registering for your examination, you will be provided with a list of available test locations and availability options. You will be able to choose the center that is most convenient for you.
