

August 2021

Newsletter

A big thank you to our wonderful clients for their patience during July restrictions.

As per the advice from Transport for NSW, we will be continuing current restrictions and keeping with essential transport going into August. We will continue to monitor the situation and keep you all informed!

To ensure the safety of our travellers, we will carry on with our increased cleaning schedule, sanitising vehicles between each trip and requiring clients and drivers to wear masks and sanitise before and throughout travel.

Covid Injections – our drivers are at the ready to help you get to your local clinic for that all important covid injection. This vaccination is highly recommended by the Department of Health, and we can help get you there.

Give us a call to book your ride, **1300 812 504**.

Further information is available by scanning the QR code below.

Social Outings – unfortunately, due to current restrictions we are unable to offer our regular social trips. We understand that these are popular and we're keeping our fingers crossed we can get back into the swing of things, sooner rather than later. We shall keep you posted!

Know of anyone that could use our services? If they have a Home Care Package, they do have a choice as to who they travel with!

Feel free to give them a copy of this newsletter or they can give us a call today to find out more

Regular shopping/access buses

Our weekly shopping buses are continuing from all our service areas - Jump aboard, there's a bus for everyone!

Details for our shopping/access buses can be found on the next page.

Regular shopping/access buses

Regular group buses are a great way to get out and about, meet people and best of all it's cheaper than individual transport. This service is still door to door with plenty of space for your shopping and assistance carrying your bags to your door. Give it a try - you will be glad you did!
