## The end of the year is near!

Our transport services continue to be classified as an essential service and therefore you are not required to be double vaccinated to travel with us. However, we do suggest checking with the venues in which you travel to ensure you're not locked out and stuck waiting for your return trip home.

- Travellers are required to sanitise
- Masks must be worn by the driver & passengers unless a medical exemption can be produced.
- Vehicles will continue with regular cleans throughout the day to reduce the risk of spread.
- We will continue to monitor the Covid situation and adhere to relevant advice from NSW Government.

**As you would all be aware, October brought with it some very wild weather!**

BIG SHOUT OUT to our amazing drivers who found themselves caught on the roads throughout the extraordinary hail-storm. The lengths our drivers went to ensure their passengers' safety was above & beyond what anyone could expect - we LOVE you!

## Social Outings

We are busily working on our 2022 schedule of fun-times and everything social, and would love your input! If you found yourself enjoying particular outings in the past or have suggestions on any new locations or activities, don't be shy and share your thoughts by calling 1300 812 504 or emailing [info@communitytransport.net.au](mailto:info@communitytransport.net.au)

Our shopping buses continue and are a great way to get out & about to not only grab those essentials but also enjoy a coffee and chin-wag with your fellow shoppers. For further information on buses available in your area check out our website at [communitytransport.net.au](http://communitytransport.net.au) or ask one of our friendly staff members.

See our Social Schedule on the following page.

## We Are Winners!

Many of you already know, but for those who don't, we're excited to share with you that we were recently named Winner of the Outstanding Community Organisation Award at the Mid North Coast NSW Business Awards for 2021! This award recognises an organisation that works to improve the social, cultural, or environmental wellbeing of the community, and we were honoured to be recognised. The Community Transport Company CEO Bethany Langford paid tribute to her team of 141 people.

"This award is testament to the hard work and love put into the community by every one of my team," she said. "We have 108 volunteers who donate over 25,000 hours a year to transport people who are frail, aged, have a disability or are otherwise transport-disadvantaged. Our staff are incredibly productive and do an amazing job for our community, and they absolutely deserve this accolade".

We are now a finalist in the State Awards for the same category, with the winners being announced on the 26th November, so wish us luck!
