How to make a claim.

Making a claim in the UK

Contact **your** nearest authorised Mercedes-Benz Retailer and advise them that **your insured vehicle** is protected by a Mercedes-Benz EQ Extended Warranty. The Mercedes-Benz Retailer will contact **us** regarding claims on **your** behalf. It is **your** responsibility to authorise any dismantling of the **insured vehicle** or any other work required to diagnose any faults with the **insured vehicle**.

We will only pay for diagnostic costs directly associated with a valid claim for a defective component under this insurance. If **you** are VAT registered **you** remain responsible for settling the VAT content of any claim separately.

Mercedes-Benz Warranty Services reserve the right to examine the **insured vehicle** and to subject it to expert assessment in order to determine if **your** claim is covered and how much **we** will pay for repairs. If **you** or anyone acting on **your** behalf acts in a way which prevents **us** from being able to determine the cause of failure by inspecting the **insured vehicle** or defective components, then **we** will not pay all or any part of **your** claim.

Making a claim in Continental Europe

On **your** return to the **UK** (or as soon as reasonably possible) please contact **Mercedes-Benz Warranty Services** who will advise if the repair is covered under this insurance. **You** will be asked to forward **your** claim to:

Mercedes-Benz Warranty Services, Claims Department, PO Box 1183, Croydon CR9 1HR.

Along with **your** claim please ensure that **you** include a detailed repair invoice as well as the following original documentation.

Please retain a copy of the repair invoice and the original service records for **your** own safekeeping as **we** will be unable to return these to **you**. **We** reserve the right to request any other documentation in support of **your** claim at **your** cost.

Your claim will then be processed and reimbursed to **you** in pounds sterling at the rate of exchange for the relevant currency at the time of the repair, providing that **your** claim is valid. **We** will not pay more than the equivalent **UK** rates for the manufacturer's list price for parts and official labour times/costs which are necessary to repair or replace covered components. If **you** are VAT registered **you** remain responsible for settling the VAT content of any claim separately.
