Data to Action

Minister Debra Williams, CEO
Building Resilient Communities
Data to action
Partnerships are our key to success
It takes a village
COVID response lessons for future efforts
Building Resilient Communities advocates and provides disaster preparedness education, resources, and tools. We strive to mitigate systemic disparities that are based on climate conditions, environmental impacts, racial bias, and economic conditions that cause people to be disadvantaged and vulnerable in times of disaster.

Helping across Riverside and San Bernardino counties since November 2012
Our Programs

- Ark of Safety Program
- Ark of Safety Business
- Ark of Safety Youth
- Christian Disaster Relief Coalition
If you don't know where you're going, any road will take you there.
