

The Fund for Chattanooga is a permanently endowed fund with the mission and capacity to respond to our community's most pressing challenges, now and in the future.

This fund is the living legacy of hundreds of gifts from donors who believe in the Community Foundation's leadership, values, and expertise. Because of their generosity and trust, we can address Chattanooga's immediate needs and those our donors can't yet foresee. Past, present, and future gifts to the Fund for Chattanooga ensure the longevity of effective and responsive philanthropy in our city.

Chattanooga's Forever Fund

As the Chattanooga region grows, changes, and evolves, the Fund for Chattanooga is positioned to support the vision of a community where all of our neighbors have access to the resources they need to reach their fullest potential.

Today, the fund is responsible for providing critical resources and funding for our city's most essential service providers. This work ensures we are building a prosperous, equitable, and thriving Chattanooga for every resident.

Community Leadership

Created by the Community Foundation, the Fund for Chattanooga is advised by a volunteer committee of dedicated and passionate community leaders and residents who have given up their time and offered their expertise to help building a caring and inclusive community.

We believe that the strength of this fund is not only endowed by the investment of its generous donors, but also by the dedicated community leadership that governs and oversees the grantmaking process.
