Geolocation data (typically approximate, based on your IP address)	-Inferred from user IP address	-Analytics and marketing providers -Infrastructure and hosting providers	
Professional or employment-related information	-Abound Clients -Abound web properties -Business communications -LinkedIn & marketing outreach vendors	-Infrastructure and hosting providers -Machine learning providers -Analytics and marketing providers -Tax authorities	
Inferences , such as estimated quarterly tax payments, tax brackets, whether specific transactions may be expensed, and basic demographics of visitors to web-properties	-Derived from data provided by Clients -Derived from internet and networks activity	-Tax authorities -Abound clients	

California Consumer Privacy Rights

We don't sell personal information to others, so no sales opt-out mechanism is available. In the event that we alter this practice, we will update this page accordingly.

You have the right to request the following, up to twice in a 12-month period. In the event that we received your information from our Client & operate in a service provider relationship with them, we may direct you to contact our Client who is the California business with whom you have a direct relationship with. You can expect our Client to validate your identity in order to fulfill your request, which we will support according to their direction.

Information you may request:

- Categories and specific pieces of personal information we have collected about you
- Categories of sources from which we collected the personal information
- Business or commercial purpose for which we collected or sold the personal information
- Categories of third parties with whom we shared the personal information
- Categories of personal information about you that we sold or disclosed for a business purpose, and the categories of third parties to whom we sold or disclosed that information for a business purpose.

Note that our response may be identical to data outlined in the table above, unless you are requesting the specific pieces of personal information we've collected about you, or use only a subset of Abound services where certain categories may not apply.

If you request the specific pieces of information we've collected about you, we are required NOT to disclose Social Security numbers or financial account numbers, although we will disclose that we have collected this information in our response.

You also have the right to request deletion of your personal information. If we have received your information from our Client & operate in a service provider relationship with them, we may direct you to contact our Client to initiate and validate your request, and we'll act on their instructions in fulfilling it. Note that Abound operates with financial and tax data that may be subject to retention requirements under federal or state law that supersede the CCPA.

Submitting requests:

To submit a request, please contact us at privacy@withabound.com with support@withabound.com CC'ed or get in touch with us at our toll-free number at (855) 306-4879. You may also contact us via these channels through an authorized agent acting on your behalf. If you choose to use an authorized agent, we will ask you to verify your own identity and confirm that you have authorized the agent to submit requests on your behalf. If you choose to exercise your rights under CCPA, including by making any requests through these channels, you have the right NOT to receive discriminatory treatment. Any information you provide to us to exercise your rights will not be used for other purposes, although we may keep a log of user rights requests and our corresponding handling for compliance purposes.
