Crestron Commercial Lighting Controls

Regional/Country Product Compliance/Usability Chart

A number of Crestron Lighting control products are not designed to meet the specific requirements of the countries around the world. This document is a reference sheet that identifies whether a specific Crestron CLC product can be sold or used within a given country or not.

The current, most up to date version is as of August 24,2023(updated version will replace outdated version when available).

Legend:		
✓	=	Compliant within country or Countries with in a region
TBD	=	To Be determined, No projected Compliance or Availability yet
✗	=	Compliance Not Possible
Q4 2023	=	Calendar Year quarter(Eg. Q1 2023 is the first quarter of calendar 2023, or Jan-Mar)

Symbol	Meaning	Meaning
Legend:		
✓	Compliant within country or Countries with in a region	Ok to sell
TBD	To Be determined, No projected Compliance or Availability yet	Cert Possible but Not Obtained
✗	Compliance Not Possible	Not Possible
Q4 2023	Calendar Year quarter(Eg. Q1 2023 is the first quarter of calendar 2023, or Jan-March)	In Progress
