

Meandros boutique & Spa

Meandros boutique & Spa has been modernly designed with wall mural representations of Greek gods, combined with touches of Greek elements and minimalistic decor, creating a relaxing adult only experience. Each of the contemporary 46 spacious rooms features modern facilities consisting of 11 private pool rooms, 3 rooms with private Jacuzzi, 11 suites and 21 premium rooms with unique character. A boutique hotel that balances details from the past with playful public spaces proves that the new rules of chic are simplicity with a clean and modern sense of ease.

InSPAration Wellness center, located at the ground level of the hotel reflects a modern minimalistic atmosphere combined with cutting edge stretch ceiling design. Our treatment areas include a 6m indoor heated swimming pool to relax your senses, the Jacuzzi bath with massaging jets, the Sauna for your dry heat experience, a relaxing private power shower, Facial treatment room, a private atmospheric massage room, hair salon, nail treatment room and a fitness area. InSPAration is proud to offer a wide range of special and innovative treatments focusing on health, beauty, pampering, stress reduction and revitalization, using pure, natural and environmentally friendly products. Treatments are administered by a team of skilled therapists blending special techniques always personalized to your own needs.

Zakynthos' dining scene has gone sky high with Meandros Boutique & Spa Hotel, presenting 'Uranus Sky restaurant'. Commanding impressive views to the mountain, Uranus pulls together fusion cooking to create a cosmopolitan Ancient Greek atmosphere, that majors on wow factor. Minimal design and ancient Greek wall murals dominate the scene of Uranus Sky restaurant. Inspired by the art of the Geometric period, 'Uranus', successfully balances modernity and Ancient Greek history. A different style of fine dining awaits you to taste a plethora of ancient Greek recipes created with imagination that will travel you back in time.
