Inside the lush spruce forest of Tzoumerka, built with stone, wood and copper and covering all modern standards, Anavasi hotel offers the warmth of traditional Greek hospitality and a comfortable stay to our visitors all year round. Our hotel consists of 2 suites with a fireplace, 2 triple rooms and 11 double rooms with panoramic views of the breathtaking surrounding landscapes.

All rooms are equipped with the highest quality COCOMAT furniture, mattresses and linens, a small fridge, hair dryer, wireless internet, LCD television, autonomous heating and air conditioning.

Anavasi Mountain Resort offers a spacious lounge with a big fireplace, a glass solarium/patio, and a restaurant in which our famous breakfast is served, wireless internet, bar, indoor heated pool, sauna, parking area and barbeque. Our hotel also offers dinner upon request.

As a starting point, our visitors can wander around Tzoumerka and explore different areas or take part in various activities. Whether it is a short easy walk, a massage session or an adventurous rafting experience, due to our extended knowledge and connections with local activities leaders, we can make sure that our visitors have a unique experience and want to come back for more.

We are constantly upgrading our equipment and services in order to be able to offer the best possible experience to our visitors while maintaining a personal relationship with them that makes them feel comfortable, being taken care of while being in the magical forest and mountains of Tzoumerka.
