Our guests say about us :

"A gem of a place!"

This hotel is perfect! Cannot find any fault with it. The views are awesome. Rooms are luxurious and affordable. Loved this hotel and will definitely spend more time there next time we go. There are great places to visit nearby and walks to waterfalls. Try the white water rafting!

"Wow what an hotel "

Wow what an hotel! Overlooks the perfect view, large family rooms and comfortable public space large and beautiful and perfect service.

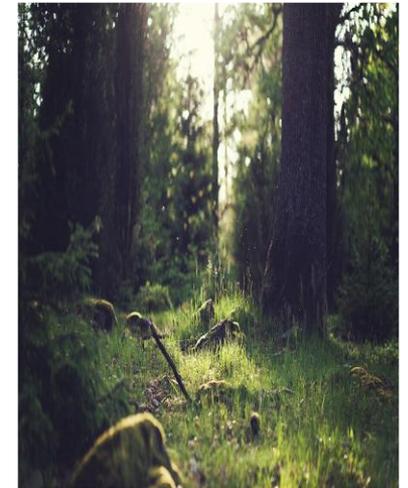

This is a boutique hotel with only 12 rooms , 5-star standard, Highly recommended!

In the area, hiking trails, rafting, great restaurants, charming villages, and a lot of views and inspiration. Highly recommended.
