

Bike Rental

A bike ride through Thessaloniki admiring the highlights is definitely the best way to experience the city and see the places that most tourist buses do not visit. This is a fascinating introduction to the city, its impressive monuments and especially its secret corners that are usually missed by visitors.

You will be escorted through the city to view the sites and a commentary will paint a vivid picture of bygone days, creating an atmosphere with stories and events that actually occurred in the past up to modern times. Rent a bike in Thessaloniki and experience what city has to offer.

Cycle the city at your own pace and discover the secrets hidden in its corners and around the streets and bike today in Thessaloniki.

City Bike Tours

Thessaloniki is the second city of Greece and an important administrative centre.

Founded in 315 BCE by Kassander, king of Macedonia, and was named after his wife, sister of Alexander the Great. The city played a significant role during the Hellenistic, Roman, Byzantine and Ottoman periods but remains a vibrant and youthful city today.

Explore it by following the organized cycling routes we have planned. Explore its famous monuments, mingle with the crowd in the parks and squares, feel the city's vibrant atmosphere as you ride it on your comfortable bicycle, listening to the stories of your bicycle-tour guide.

Thessaloniki, from all the greek cities is the suitable one for biking, flat at the beachfront area. With a very special design of its streets and buildings that begins at 20 BCE creates "zones" of interest, hard to reach with heavy transport.

Thanks to the bike, access to the scattered city monuments becomes easy, fast and fun.

Enjoy Thessaloniki as you ride with our professional tour guides. Visit the most famous monuments, landmarks and pass through parks and squares and feel the lively atmosphere while riding a comfortable bicycle, experiencing a vivid picture of bygone days with stories and events that actually occurred described of our biker- guide.

Follow us and enjoy the ride!
