Bespoke company registration assistance in Malta by our competent team of corporate specialists

Benefits of Registering a Company in Malta

Corporate income tax is subject to a flat rate which currently stands at 35%

The tax system grants a full participation exemption on dividend income derived from certain assets & on capital gains derived from the transfer of such assets

A system of tax reimbursements are in place so that the effective tax rate may be reduced to 5%

All reports are prepared in the official business language of English
