

TWILL & DAISY

Prosecco

REGIONAL

Sunraysia regions have a climate well suited for growing vines, with warm summer days and plenty of sunshine allows ripe fruit flavours and sugars to develop. In 2020 we had warm days, cool nights and little or no rain. This led to excellent ripening conditions resulting in bright ripe fruit

TASTING NOTE

A restrained savory wine with vivid aromas and earthy tones with cranberry and cherries fruits. There are fresh cut violets, iris, and Pomegranate with a hint of cherry, plum, and raspberry. Subtle notes of potting soil form a backdrop to its sweet and flowery flavors. The wine has a moderate acidity combined with the tartness of red fruits and structural tannins.
