

2020 CABERNET SAUVIGNON

This has a very smooth, plush and intense feel to the palate with a rich array of ripe dark-fruit flavours.

Tasting Notes

Nose: Very vibrant lifted aromas, dark maraschino cherries, rhubarb, baked raspberry pie, dark chocolate with some dustiness and vanilla.

Palate: Beautifully plush palate with an intense core of fruit which is structurally varietal and regionally typical. A seductive front palate leads into flavours of plum, blueberry, chocolate and nuances of liquorice all couched within super fine, dusty tannins that leave a plushness and satisfaction and desire to have another glass.

Pairing: Seared crispy duck breast with a red wine jus.

Technical Notes

Vineyard: The fruit is grown here in Wilyabrup, with some supplemented fruit grown on our neighbours property. 338 clone and Houghton's clone predominantly.

Winery: This wine is 100% Cabernet Sauvignon. The fruit was allowed to cold soak for 48 hours before fermentation was encouraged. Gentle pump overs to extract the tannins and colour throughout the ferment were watched carefully to ensure the tannins remained soft yet structural. The wine was gently pressed to oak.

Fermentation: A mixture of new and older French oak barriques for 16 months.

Alcohol: 14.8%

Total Acidity: 6.02 g/l

Residual Sugar: <1.0 g/l

Cellaring: Drink now or through to 2032.
