## GIN

Our signature grain to glass Gin combines old (juniper and coriander) and new world botanicals (lemon and orange zest) for a gin that is best described as traditionally dry, yet freshly unique. Pairs great with citrus!

## GIN — COCKTAIL —

### FARMER COLLINS

- 2.0 OZ. SWD GIN
- 1.0 OZ. FRESH LEMON JUICE
- 0.5 OZ. SIMPLE SYRUP
- SODA WATER

Combine gin, lemon juice, and simple syrup into cocktail shaker and fill with ice. Shake and strain into highball or Collins glass filled with fresh ice, and top with soda water. Garnish with your favorite fresh herb. (We love rosemary, sage, or mint.)
