

Rider Alert #15

Emergency Heat Related Service Reduction

Due to extreme temperatures and for the safety of our passengers, drivers and for the protection of GTA equipment, service will be reduced effective immediately and continue through Friday, July 9th. The reduced schedules can be found on the GTA Facebook page, the GTA website - www.granttransit.com, or by calling the GTA office at 509-765-0898. All routes, with the exception of Routes 30 & 40 will experience a reduction of service.

We appreciate your patience and understanding of our need to protect passenger and driver health as well as protecting our equipment so we can continue to provide a high level of transportation services in Grant County.
