

Access, Awareness, and Achievement for Deaf, DeafBlind,  
Hard of Hearing and Late-Deafened People

**Online American Sign Language (ASL) Class Schedule Winter 2022:**

**What's New?**

All classes will be held virtually over Zoom. Our curriculum has been adapted to be taught in this format. Our strict cap of 15 students per class ensures that each student still receives individual attention.

**Why learn ASL at DEAF, Inc.?**

Our voice-off online classes provide a fun, relaxed, and interactive learning environment. Get support and feedback from our instructors, who are Deaf and native ASL users.

**DEAF, Inc. Uses the TRUE+WAY ASL Curriculum**

TRUE+WAY ASL (TWA) is a technology-driven curriculum that provides online videos and interactive activities. TWA's main objective is to promote real-world conversations related to student's daily lives with the goal of students being able to converse with Deaf people in the community.

We will send the link to students to buy their own access code when the number of students has passed the requirement. Access codes will be \$36. This price increase is due to the TWA upgrade from Second Edition to Third Edition.
