Happy Plants, Healthy You
with Jude Haverington

In this interactive workshop, we will cover the following:
• How plants support our mental and physical health
• How to care for houseplants and succulents
• Propagation (creating new plants from stem cuttings)
• Build your own little plant to take home!

Presented in ASL | Drinks and refreshments provided
What you need to bring: you, you, and yourself
Brown thumbs and green thumbs are welcome!
All participants will receive TWO plants to take home! Plus giveaways!

Jude is Deaf and owns The Silent Seed, a tropical plant shop in Newburyport, MA, where he cares for over 40,000 plants. Jude loves being surrounded by nature and plants daily and looks forward to sharing his passion with you.
