

Dear Teacher,

Thank you so much for your participation in this exciting literacy initiative. Osceola Reads with Footsteps2Brilliance aims to increase the number of students ready for kindergarten, which is now at 47%. By connecting the classroom and the home, and reaching students before they start school, your future students will be more prepared than ever.

If you have any questions about the program, your Literacy Coaches and Media Specialists have been trained by our team and should be your first in line for help. You can also reach out to Glorimel Pinero, our district contact, or the tech team at Footsteps2Brilliance on their website for assistance.

Beyond literacy, this app has resources for teachers like lesson plans, activities, games, and more all at your fingertips. Feel free to use them in your classroom and encourage your students to use the app at home.

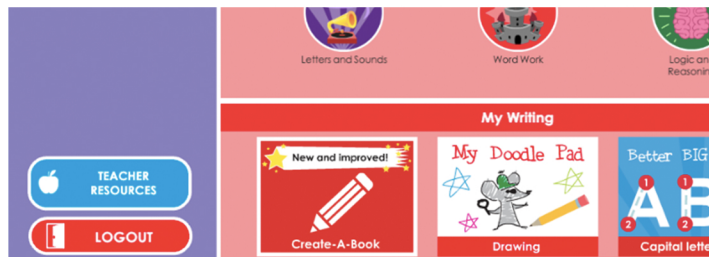

Sincerely,

Dr. Debra Pace
Superintendent
School District of Osceola County

Teacher's Guide to getting Super Secret Codes

1. Log in to myf2b.com using your SDOC ID badge # for your username and password.

2. On the far left side of the dashboard, click on Teacher Resources.

3. On the far left click "Class Management."

4. Click on the blue "Student Cards" button.

5. Print this page for reference.

Please select the student cards and the language that you want to print.
